**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
SUMMARY OF FINDINGS AND
RECOMMENDATIONS**

June 13, 1968

Board of Selectmen
Tilton, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Tilton for the fiscal year ended December 31, 1967, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court, Trustees of Trust Funds, Library, District Nurse and Recreation Council.

Financial Statements

Comparative Balance Sheets—December 31, 1966—December 31, 1967: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1966 and December 31, 1967, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$13,324.77 in 1967.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1967, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$16,493.03, less a revenue surplus of \$8,543.70, resulted in a net budget deficit of \$7,949.33.

Summary Statement of Receipts and Expenditures: Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1967, is indicated in Exhibit B-2.

Municipal Court: (Exhibit E)

A statement of the accounts of the Municipal Court for the fiscal year is presented in Exhibit E.

Library: (Exhibit G)

A statement of the activities in the Library Account is presented in Exhibit G.

Other Departmental and Special Activities Accounts: (Exhibit H-1, H-2, I-1 & I-2)

Statements of the activities in the Tilton-Northfield District Nurse Association is presented in Exhibits H-1 and H-2.

Statement of the activities in the Tilton-Northfield Recreation Council is presented in Exhibit I-1 and the Building Fund in Exhibit I-2.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

General Comments

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$14,880.65 to \$1,555.88 in 1967, as shown herewith:

	December 31, 1966	December 31, 1967
Total Assets	\$153,224.29	\$243,235.79
Current Liabilities	138,343.64	241,679.91
Current Surplus	<u>\$14,880.65</u>	<u>\$1,555.88</u>

As of December 31, 1967, there was due the Town from unremitted tax collections, the amount of \$26,304.05. The period January 1, 1968 thru April 30, 1968 disclosed an additional amount due the Town of unremitted tax collections of \$838.01. Therefore, as of April 30, 1968, there was a total amount due the Town of \$27,142.06.

A separate report of the Tax Collector's accounts covering the period January 1, 1962 thru April 30, 1968 has been submitted to you.

Tax Collector:

Our examination of the Tax Collector's accounts revealed that in many instances the accounting procedures prescribed by this Division were not followed. Some of these are listed below.

- 1) The Tax Collector did not maintain complete and accurate cash receipt journals as is required.
- 2) Remittance advice slips were not used in remitting to the Treasurer. Therefore it was impossible to analyze her remittances to the Treasurer for any fiscal year.
- 3) Abatements were given without written authorization from the selectmen.
- 4) In numerous cases the Tax Collector failed to collect interest and costs as required by law.
- 5) Discounts on property taxes were allowed after the discount period authorized at the town meeting.
- 6) The Tax Collector failed to advertise and sell all the uncollected property taxes at the Tax Sale.
- 7) Tax Deeds on unredeemed property taxes were not given as prescribed by law.

Loss of revenue has been sustained by the Town because of the deficiencies noted above.

The new Tax Collector, appointed for the term beginning May 9, 1968, has been instructed as to the recommended procedures to follow.

Town Clerk:

The Town Clerk's accounts were audited for the fiscal

years ended December 31, 1966, 1967 and for the period from January 1, 1968 thru May 6, 1968.

As of December 31, 1966, there was an amount of \$322.05 due the Town Clerk. This occurred because of an error in addition by the Town Clerk in the motor vehicle permit cash book in 1966. This liability was carried over to December 31, 1967. The Town Clerk's accounts were found to be correct for the fiscal year ended December 31, 1967.

For the period beginning January 1, 1968 thru May 6, 1968, there was disclosed an amount of \$200.79 due the Town on account of motor vehicle permit fees. Therefore, the amount of \$322.05 due the Town Clerk as of December 31, 1967, less this amount of \$200.79 due the Town, leaves a net amount due the Town Clerk of \$121.26 as of May 6, 1968.

It is recommended that all fees and licenses collected be remitted to the Treasurer at least once a month.

Trustees of Trust Funds:

It is recommended that proper records be kept to segregate principal and income accounts.

Town Auditors:

It is most important that verification of uncollected taxes be performed by the Town Auditors.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the town. This letter of transmittal should be published in its entirety but the publication of Exhibits is optional.

We extend our thanks to the officials of the Town of Tilton for their assistance during the course of the audit.

Yours very truly,

O. MAURICE OLESON

REPORT OF POLICE CHIEF

The Police Department's work load increased 11% during 1968. However, the operation of the department was constantly evaluated, resulting in numerous changes. This produced more effective patrol methods and increased our efficiency. Criminal cases increased only 2% and for the second consecutive year none of our business establishments were broken into. At the same time, our clearance rate rose 45% compared with the national average of 25%.

The training program was expanded during the year. Officers successfully completed courses at the N. H. State Police Training School, St. Anselm's College, the F.B.I. Firearms School, and Gunstock Jr. College.

"TILTON'S JUDGE DESMOND RESIGNING"

Tilton — Judge William F. Desmond announces his resignation as justice of the Tilton Municipal Court as of Jan. 11, 1969 at which time he will reach the retirement age of 70.

And with the resignation comes the abandonment of the Tilton Municipal Court over which he has presided for the past 15 years.

Although looking forward to his retirement, Judge Desmond says he is concerned over the abandonment of the court which is an automatic procedure according to the 1964 state legislation which calls for the discontinuance of the municipal courts upon the vacating of the judgeship due to resignation or other reasons.

Judge Desmond says he feels the courts, particularly where the juvenile court sessions are concerned, can better deal with the problems at hand in the local environment.

He is in accord, he states, with the compulsory retirement required at age 70, but does not favor the discontinuance of the court.

After Jan. 11, the cases from Tilton will be heard at Laconia District Court.

Judge Bernard Snierson of the Laconia court has been invited to the final session in Tilton at 11 a.m. that day, and the gavel will be officially turned over to him by Judge Desmond. Special Justice Stephen S. Jewett and Probation Officer Lou Athanas of the Laconia Court have also been invited to the session.

Judge Desmond was appointed as a lay judge at Tilton

by then-Governor Hugh Gregg, and succeeded Judge John W. Crawford.

At the time Mr. Desmond was superintendent of the Tilton Leather Co., retiring from that firm in 1961 after 40 years employment.

He was born in Peabody, Mass. and moved to Tilton from Lynn, Mass. where he had been active in various city and civic organizations.

He served on the City Council of Lynn from 1942 to 1948, serving as council president for the last four years of his terms. He was president of the PTA in Lynn for two years and district director for the PTA on a state-wide basis from 1943 to 1945.

Also in Lynn he was a member of the War Man Power Commission for management in 1944-45 and local property officer there during the same period.

Mr. Desmond continued his dedication to civic affairs in Tilton serving on the Tilton-Northfield Board of Education from 1950 and as chairman of that board in 1950-51.

He served as Director of Iona Savings Bank from 1951 to 1966, at which time he resigned, and has been a director of the N.H. Business Development Corporation, since 1959.

He is a past president and member of the Tilton Rotary Club, a fourth degree member of the Knights of Columbus and a member of the Holy Name Society of the Assumption Church in Tilton.

He and his wife, the former Alice Gallagher of Marblehead, Mass., have four children: Mrs. Robert (Alice) Soukup of Nashua, William F. Desmond Jr. of Groveland, Mass., Daniel L. Desmond of North Andover, Mass., and Edward C. Desmond of Wilton, Conn., and 11 grandchildren.

Judge and Mrs. Desmond will leave for Florida for the winter and then return to settle in the southern part of New Hampshire to be nearer their family.

If Judge Desmond has any particular hobby to occupy him in his retirement, he says, it is participation in civic affairs.

Wherever we do settle when we come back from Florida, he says, I'll soon find myself down around city hall.

Our second dry hydrant was installed at the riverbank in Lochmere just north of the railroad trestle at a cost of \$250.00.

A new \$17,000.00 Farrar 1000 gallon pumper truck was delivered in September and has been equipped with hose, nozzles, First Aid kits, and all other necessary and special equipment, costing \$1900.00. It proved its value at the Dr. Robinson fire on Lancaster Hill Rd.

Our four trucks were operated a total of 603 miles on emergency calls.

Our members put in a total of 926 man hours on emergency calls. At the present time the Department has 34 regular members and 8 Junior members.

A Junior membership was started in March. The boys were trained in the use of back-pack pumps and portable gasoline engine pumps and have given excellent performance on grass and brush fires. Five of the boys were awarded First Aid Certificates after completing Red

Cross training.

The Station was used as a meeting place by —

The 4-H Dog Club

Happy Helpers of Belmont

The Mutual Fire Aid Association

The Lake Shore Drive Association

The Belmont Shores Association

The Belknap County Law Enforcement Assn.

The Belmont Centennial Committee

A Childrens' Christmas Party was held on December 22nd for all children in the Winnisquam Area. 170 children met Santa Claus and were given presents, ice cream and candy, and a ride on the fire truck.

TILTON TOWN PLANNING BOARD

Amendments to the town's zoning ordinance are in the process of being finalized.

Meetings with prospective consulting engineers were consummated in preparation for the projected comprehensive master plan.

A report to the U.S. Soil Conservation Agency was made regarding existing land and water areas which should be maintained in their original state.

Planning Board members, representing Tilton, joined the Lakes Region Planning Commission in 1968. Additional funds from federal sources will be received by Tilton as a result of membership in this regional planning group.

Liaison with state and federal officials pertaining to the creation of a comprehensive master plan is continually maintained.

Preface to 1968 Town Annual Report
—Trustees of Trust Funds

1968 has been a busy year — involving many decisions and changes!

To comply with the Laws governing Trust Funds, Mergers, changing rates of dividends, etc. has resulted in many changes involving Sales and Purchases of stock, which will appear in the 1969 Town Report. While our aim of Income remains unchanged, watchfulness is necessary. Your committee of three has been active! Changes are still in process.

While the Treasurer has devoted countless hours to “researching” Cost of holdings going back over 50 years — for Tax reporting purposes — he wishes to mention considerable aid from the following people: his wife for typing and proof reading; Mrs. Doris Hanchett, of the Iona Saving Bank, who does all the Depositing and Withdrawal work; Mr. Howard Wollinger, local representative of Bishop/Wells, who has supplied facts not otherwise available locally. Over the last 10-12 years these people have upheld the Treasurer’s courage when the going got tough!

Final Report to the Residents of Tilton, New Hampshire

As this is my last report to you I wish to take this opportunity to thank you for your splendid cooperation and support of the court during the past fifteen years. I especially want to make note of your response during the 1964 Town Meeting when the question appeared on the ballot to abolish or retain the Tilton Court. After all ballots were counted, you voted approximately six to one to continue the court.

At this time I should like to thank publicly the following people for their contributions: to Mr. Edward Gibbs, Jr., Saugus, Mass., now deceased, for his gift of the Robe; to Mrs. John W. Crawford, wife of former Justice J. W. Crawford, for her gift of the framed copy of Lincoln's Gettysburg Address; to Mr. Christopher Dunne for his gift of the Golden Eagle; to Mr. Edmund J. Corkrey, Manager Arwood Co., for his gift of desk, filing cabinet and chairs for my office; to Mr. Walter Gibbs for gift of Rubber matting for courtroom floor; to Mr. and Mrs. Edward C. Desmond gift of the dividing rail separating the desk and platform from the courtroom and to all others who during my fifteen years as Judge assisted in the well being of the Tilton Court.

A special thank you also to the following men who helped in many ways, sometimes at a moment's notice: The Honorable Royal W. Smith, Justice of the Belmont Municipal Court; Mr. James Hussey, our local representative in the Motor Vehicle Department at Concord; Mr. Walter Gibbs, Clerk of Court and Mr. Richard Hingston, Assistant Clerk of Court.

Sincerely,

WILLIAM F. DESMOND
Justice of the Municipal Court
Tilton, New Hampshire

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

People cause fires. Our records show that the number of fires increases in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal braziers in your own back yard is permitted on notification of the warden.

- b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

REPORT ON THE PROPOSED SEWERAGE FACILITIES

Under the Legislative Act passed 1967, the Town is under the order to eliminate the pollution caused by the discharge of raw sewage into the Winnepesaukee River. As the first step the Town had, together with the Town of Tilton, a preliminary "Report on Main Interceptor, Sewer Extensions, Sewage Treatment Plant and Appurtenant Works for the Towns of Tilton and Northfield, New Hampshire (Tilton-Northfield Sanitary District)", worked out which has been submitted in November 1967 and has been processed by the Water Supply and Pollution Control Commission and the Federal Government. It is proposed to build the sewage treatment facilities jointly with the Town of Tilton on the low land in Northfield, between the railroad and the river, on the land presently owned by the Public Service Company of New Hampshire.

It is expected that, under State orders, construction will have to start in 1970. The next step will be the working out of construction drawings and specifications to be ready for bidding.

The amount needed for this engineering work will be advanced as an interest-free loan by the Federal Government. The respective article authorizing the Selectmen to apply for this loan, was included in the 1968 Town Meeting Warrant. The processing of this application has been completed. The working out of the construction drawings will begin upon receipt of Federal approval of the funds.

TILTON-NORTHFIELD CIVIL DEFENSE

TO: Selectmen, Tilton and Northfield

Gentlemen:

As your new Civil Defense Director and the emphasis is on new, as I have had the privilege of serving for only a few short months, the goals and programs implemented by your most able former Director, John F. (Jack) Claridge, have been continued. As I become more knowledgeable in this field of Civil Defense it is hoped many more people in these communities would indicate an interest in becoming more knowledgeable by participating in one or more areas where Civil Defense prepares groups to act in support and as assistants to regular service departments.

The Communications Division has been most active and has established a new and more efficient transmitting and receiving station at the Soldiers Home. It should be stated that we are indeed fortunate to have in the event of an emergency such a highly qualified and dedicated group of "radio hams" under the guidance and control of our CD Communication Officer, Mr. Sleeper.

We have regularly exercised with the statewide Civil Defense warning information fanout system and can report a reasonable level of efficiency in this communications medium. In four separate locations in the Tilton-Northfield area are located complete sets of radiological monitoring instruments which are checked and recalibrated annually. During February 1969 all locations where above equipment is located were replaced by new and improved units.

We are currently conducting a medical self help course and standard Red Cross First Aid course at the Tilton-Northfield High School with 21 interested local people enrolled in the class.

It is our recommendation that the monies appropriated for Civil Defense in the last budget be continued.

Respectfully submitted,

DONALD J. WELCH

CD Director

TILTON-NORTHFIELD RECREATION COUNCIL

1968 Annual Report

The conclusion of 1968 terminated the 13th year of the Recreation Council's programmed activities. During the non-summer months, the center (over the Tilton Town Hall), was open Monday through Friday (except Thursday) evenings from 6:30 to 9:30. Boys from junior grades could attend Monday and Wednesday from 6:30 to 8:00 p.m., senior grades from 8:00 to 9:30 p.m. A similar schedule for girls was available on Tuesday and Friday evenings. Some special events were held on Saturdays.

During the spring, various tournaments were held among the center attendants involving indoor games and contests. The Teen Council also held movies every other Saturday, at the center.

The Babe Ruth ball team moved into the Laconia League. They were completely outfitted with uniforms on behalf of the A. S. Brown Company. Actually the '69 season will be the first year the whole team comes onto the field with the new units. They will be a smart looking group, which goes a long way as a morale factor.

A swimming program involving two, (4) week sessions was successful for another year. The courses ranged from beginners to junior lifesavers. Certificates were awarded for completion of various tests at each level, as outlined by the American Red Cross. The program was concluded with a water carnival.

The playground program was scheduled for a four week period. Various arts and crafts were taught in addition to short trips to the pond, J. Donellons golf range, and the Animal Farm in Laconia. Nature walks, various outdoor games, and athletic events were also part of the program.

A Recreation Council basketball team was sponsored again in the fall. The boys are non-varsity players, from grades 8-12.

Another successful trip to Boston, for a Red Sox game was a further highlight toward summer's end.

The "Neighborhood Youth Corps," a federally funded youth program was undertaken this year. Nine teenagers from town, meeting specific requirements, were supervised by the Recreation Council, working on community projects. They helped us with the Playground program, painted the Tilton selectmen's offices, worked at the pines and over at the pond. We hope to have an opportunity to apply again in '69.

The Teen Council in addition to the movies, also donated a new sound system for the center (to be installed). They also donated some of their funds to other town projects, including a scholarship. A Halloween party was organized, and their usual Christmas project were both successful events.

The Snowmobile race held in January, supervised by the Lakes Region Snowmobile Club, added an additional \$424 to the building fund.

Our thanks goes to all the individuals and groups, who have helped in various ways throughout the year to maintain a year round program. We are grateful to the taxpayers for their support, enabling the council to provide activities, which in one way, help mold young citizens.

Special thanks is extended to Whiteman-Davidson Post 49, American Legion, who donated new trees, evergreens and shrubs for a most appreciated plan to beautify the Library grounds. Mrs. Ruth Schmocker of the Tilton-Northfield Garden Club helped with the design and selection, and was assisted in the planting by David Schofield and the Future Farmers of America. The Garden Club also planted and maintained flowers around the building.

Therapeutic nursing	1684	143
Ante-partum	2	1
Post-partum	4	
Newborn	4	

Health and Welfare Service

Adults	122	4
Pre-school & school	46	6
Clinics		
school & pre-school	125	

Trips to doctor's offices 3.

Four immunization clinics were held in the American Legion Hall in Northfield in March, April, May and June. Both pre-school and school children attended these clinics. Measles injections were given to 40 children, triple toxoid injections were given to 29 children, toxoid boosters to 89 children, 16 children received smallpox vaccine, and 70 children received drinks of trivalent polio vaccine.

Assisting at these clinics were Mrs. Virginia Snow R.N., Mrs. Mary O'Neil R.N., Mrs. Frances Crawford R.N., Mrs. Ramona Hill R.N., Mrs. Madeline Gilbert R.N. Clerical workers were Mrs. Marjorie Robert, Mrs. Mary Dwinal, Misses Katherine and Norma Waldron, and Mrs. Nan Smart.

Dr. Frank Robinson and Dr. G. Vincent Ryan were the attending physicians.

Grateful appreciation is extended to the American Legion for again allowing us to use their hall.

During the Thanksgiving and Christmas holidays many deserving families received gifts of food, clothing and toys. Generously provided by the Elks, Emblem Club, American Legion, The Congregational Church Sunday School, Trinity Guild Episcopal Church, Recreation Council, Individuals and The Salvation Army.

At this time I wish to extend my appreciation to all organizations, churches, and individuals that have assisted me in any way, so that the work of this association may be carried on to the best interest of all residents in the Tilton and Northfield areas.

At this time I would like to thank Mrs. Virginia Snow who served as District Nurse for the months of January, February and March and who offered helpful advice and Mrs. Arlene Lachapelle who worked as District Nurse for the month of August.

Respectfully submitted,

THALIA COULTER, R.N.
